Sarah Larkin

Junior Data Analyst / Data Engineer | Python, SQL, Power BI, AWS |
Northcoders Graduate

London Area, United Kingdom

Summary

Professional with a strong foundation in stakeholder management, cross-functional collaboration and reporting, currently focusing on data and data analysis. Following years of managing high-profile contracts for government and NGO clients, I recently upskilled through the Northcoders Data Engineering Bootcamp, where I honed my skills in Python, SQL, and cloud-based platforms.

Experience

Tech Returners

Freelance Data Engineering

September 2025 - October 2025 (2 months)

London Area, United Kingdom

Freelance project to develop a data anonymisation tool that hides personal data stored in AWS in compliance with GDPR

Vestey Foods UK Ltd

5 years 7 months

Customer Relationship Manager

February 2021 - March 2024 (3 years 2 months)

Redhill / Swindon

At Vestey Foods UK Ltd — a family-owned, global supply chain partner providing ambient, fresh, and frozen foods — I specialised in supplying Operational Ration Packs (ORPs) to the UK Ministry of Defence, as well as a variety of ration products to governmental, non-governmental, and commercial customers worldwide.

In my role, I:

- Managed multiple concurrent contracts, from full-scale ration pack supply to component-level sales, ensuring on-time delivery and contract compliance.
- Served as the primary liaison for international government and NGO clients, aligning service levels with key performance indicators.

- Gathered, analysed, and presented operational data to support both client reviews and internal performance optimisation.
- Played a key role in the successful bid and mobilisation of the 2023 MoD ORP contract.

I have a proven track record in contract management, stakeholder engagement, and data-driven performance improvement.

UN Contract Co-Ordinator

November 2018 - January 2021 (2 years 3 months)

Coulsdon / Petersfield

From 2017 to 2022 Vestey Foods UK held the contract to be the sole supplier of Combat Ration Packs (CRP) to the United Nations.

In my role, I:

- Liaised with missions regarding forecasting, orders and lead times.
- Oversaw end-to-end international supply chain operations, including 3rd party logistics coordination and export documentation.
- Ensured compliance with international export regulations and documentation requirements, mitigating risk and monitoring customs clearance.
- Managed invoicing, improving cash flow and reducing payment delays.
- Used shipment and order data to monitor performance and flag delivery risks.

Purchase and Supply Coordinator

September 2018 - November 2018 (3 months)

Coulsdon, England, United Kingdom

My role was to manage just-in-time procurement of food components from a global supply base.

IMCD N.V.

Sales/Supply Services Representative

July 2015 - August 2018 (3 years 2 months)

Sutton, United Kingdom

IMCD is a leading international company in sales, marketing and distribution of speciality chemicals and food ingredients. Within the Intercompany team I was responsible for purchasing a wide range of speciality chemicals, arranging logistics through our third-party logistics partners, and monitoring deliveries, stock levels, and sales. Through my role I built up good supplier relationships, provided time and cost optimisation for our European affiliates and UK customers and facilitated opportunities to expand our reach to new markets and territories.

Allianz Global Assistance UK
Mastercard Services Advisor
November 2014 - July 2015 (9 months)

Allianz Global Assistance is the worldwide leader in travel insurance and assistance services. Within the MasterCard department our objective was to provide a professional and proactive service in core languages of French and English. The role of a MasterCard adviser included advising banks and customers of the emergency services we provide, liaising with the various financial institutions and service providers, and managing cases until a successful outcome was reached.

The Department London
Intern
May 2014 - May 2014 (1 month)
London, United Kingdom

The Department produces extraordinary experiences by championing the creative talent behind the world's most unique events. Delivering full project management from creative concept, design and logistical planning through to onsite production and artist liaison. As an intern I worked directly with the three partners of the company conducting content research and digital strategy implementation.

BDO UK LLP
Client Services
September 2013 - April 2014 (8 months)
Gatwick

BDO is the world's 5th largest accountancy and business advisory firm providing services to businesses within the UK and worldwide. The purpose of the client services role was to provide groundwork for the Personal Insolvency team and to generate opportunities, through good client relationships, for the firm to seek new opportunities.

AIESEC
English Teacher
March 2013 - July 2013 (5 months)

My placement was at Meiya International which is a private education centre focusing on evening classes for adults based in Ningbo, Zhejiang Province, China. As an English Teacher my responsibilities included planning interactive, instructive conversational and grammar lessons and running clubs such as games class, European Culture and Speaking Club.

LOVEFiLM

Customer Service

July 2012 - December 2012 (6 months)

Working for Sitel, one of the world's leading outsourcing providers of customer experience management, the LOVEFiLM team provided swift, helpful advice to assist the customer, resolve any issues, and ensure customers were satisfied with the service.

University of Southampton

Student Ambassador

October 2009 - June 2012 (2 years 9 months)

Southampton

A variety of roles and opportunities including: mentoring, giving talks at local schools, supervising summer camp and assisting at event days and open days. Our focus was often to advise and encourage prospective students about the University.

British Council

Language Assistant

October 2010 - April 2011 (7 months)

Working Lycee Pasteur and College Lumiere, my role was to give language and culture lessons to the students, allowing them to practice their speaking skills and have a better cultural understanding.
